

Scandinavian Cylinders

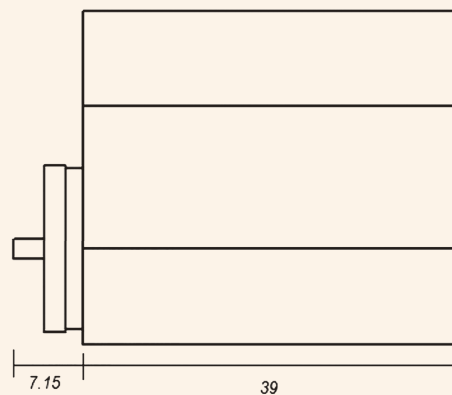

WSP

Conversion cylinders for use with most Scandinavian, Swedish or Assa brand locks

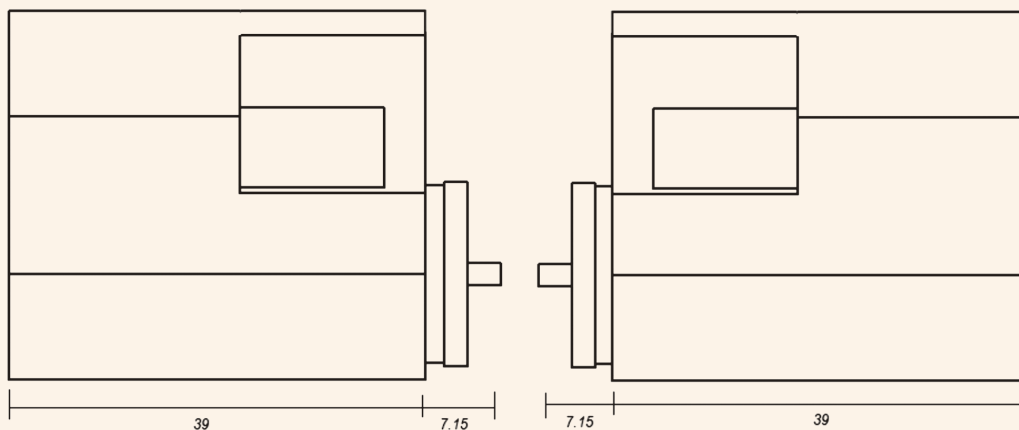

8E7A5 Single Scandinavian Cylinder

16910225 8E7A5-SCP ASSA SINGLE CYLINDER 39mm

8E7A6 Double Scandinavian Cylinder

21067655 8E7A6-SCP-T ASSA DOUBLE CYLINDER 39mm

Cylinders have been in a successful fire test for 30 & 60 minute timber doorsets.

Where lock cases other than WSP are used it is the specifier's responsibility to ensure compatibility with the cylinder.
